

The TechCred approved courses and credential categories are listed below. Contact the MAX Team at 513.322.8888 or email techcred@maxtrain.com to inquire about course details, scheduling, or custom courses. If you don't see your credential or course in this list. We can help you apply to Ohio TechCred for approval.

CREDENTIALS	CATEGORY
.NET Framework Class Library Fundamentals	Information Technology
.NET Web Application Security	IoT and Cybersecurity
Access Programming with VBA	Business Technology
Administering Cisco Unified Communications Manager and Unity Connection (ACUCM with AUC)	IoT and Cybersecurity
Administering Microsoft Exchange Server 2016/2019	Information Technology
Administering Relational Databases on Microsoft Azure	IoT and Cybersecurity
Administering Windows Server	IoT and Cybersecurity
Adobe Acrobat DC (All versions)	Business Technology
Adobe CC Design Tools: Photoshop, Illustrator, and InDesign	Business Technology
Adobe Certified Expert - Photoshop	Business Technology
Adobe CS6 Design Tools: Photoshop, Illustrator, and InDesign Illustrated	Business Technology
Adobe Illustrator CC - Level 1	Business Technology
Adobe Illustrator CC Professional	Business Technology
Adobe InDesign CC	Business Technology
Adobe Photoshop	Business Technology
Adobe Photoshop CC	Business Technology
Advanced .NET Framework Programming Using VB.NET	Information Technology
Advanced Automated Administration with Windows PowerShell	Information Technology
Advanced Business Analysis	Business Technology
Advanced Certified Scrum Product Owner (A-CSPO)	Business Technology
Advanced Junos Security - JNCIP-SEC	Information Technology
Advanced Microsoft Excel 2019/Office 365	Business Technology
Advanced MS Power BI	Information Technology
Advanced Python 3 Programming	Information Technology
Advanced Python for Data Science	Information Technology
Advanced Tableau	Business Technology
Agile for Business Analysts	Information Technology
Agile Project Management	Business Technology
Agile Scrum	Business Technology
Agile Software Engineering	Information Technology
AI & Data Product Management	Business Technology
An Introduction to R Programming and Basic Statistics	Business Technology
Analytics Program & Project Management	Business Technology
Analyzing Data with Excel	Business Technology
Analyzing Data with Microsoft Power BI	Information Technology
Analyzing Data with SQL Server Reporting Services	Information Technology

Android Certified Application Developer	IoT and Cybersecurity
Android Certified Application Engineer	IoT and Cybersecurity
App Development with Swift: Level 1	IoT and Cybersecurity
App Development with Swift: Level 2	IoT and Cybersecurity
Apple Certified iOS Technician (ACiT) 2019	Information Technology
Apple macOS Support Essentials 10.14	Information Technology
Apple Service Fundamentals	Information Technology
Application Development using .NET Core and Blazor	Information Technology
Application Lifecycle and Management Using Visual Studio 2017	Information Technology
Applied Analytics with R	Business Technology
Applying Professional Scrum for Software Development (APS-SD)	Business Technology
Architecting on AWS	IoT and Cybersecurity
Architecting with Google Kubernetes Engine (AGKE)	Information Technology
Artificial Intelligence and Machine Learning	IoT and Cybersecurity
ASP.NET Core 5 Development	Information Technology
ASP.NET MVC Programming Using C#	Information Technology
Automated Testing with Selenium WebDriver	Information Technology
Automating Administration with Windows Powershell	Information Technology
Automation Testing with Ruby Cucumber	Information Technology
AWS Certified Advanced Networking - Specialty	IoT and Cybersecurity
AWS Certified Big Data - Specialty	IoT and Cybersecurity
AWS Certified Cloud Practitioner	IoT and Cybersecurity
AWS Certified Data Analytics - Specialty	Information Technology
AWS Certified Database - Specialty	IoT and Cybersecurity
AWS Certified Developer - Associate	IoT and Cybersecurity
AWS Certified DevOps Engineer - Professional	IoT and Cybersecurity
AWS Certified Machine Learning - Specialty	Information Technology
AWS Certified Security - Specialty	IoT and Cybersecurity
AWS Certified Solutions Architect - Associate	IoT and Cybersecurity
AWS Certified Solutions Architect - Professional	IoT and Cybersecurity
AWS Certified SysOps Administrator - Associate	IoT and Cybersecurity
AWS Technical Essentials	IoT and Cybersecurity
Azure DevOps Engineer	IoT and Cybersecurity
Azure Security Technologies	IoT and Cybersecurity
Beginning Modern C# and .Net Development	Information Technology
Big Data and Fundamentals of Hadoop	Information Technology
Big Data and Spark	Information Technology
Blockchain Fundamentals	Business Technology
Build Application Architect Expertise	Information Technology
Build System Architect Expertise	Information Technology
Business Analysis	Business Technology
Business Analysis (Analytics) Nanodegree	Business Technology
Business Analytics	Business Technology
Business Analytics: From Data to Insights	Business Technology
C Programming for Embedded Systems	Information Technology
C# Programming	Information Technology
CCISO: Certified Chief Information Security Officer	IoT and Cybersecurity
Certified Agile Service Manager (CASM)	Business Technology
Certified Business Analysis Professional (CBAP)	Business Technology

Certified Ethical Hacker (CEH)	IoT and Cybersecurity
Certified Kubernetes Administrator (CKA)	Information Technology
Certified Network Defender (CND)	IoT and Cybersecurity
Certified Secure Web Application Engineer	IoT and Cybersecurity
Certified Strategic Agility Professional (CSAP)	Business Technology
CIH: Certified Incident Handler	IoT and Cybersecurity
Cisco Certified Design Expert (CCDE)	IoT and Cybersecurity
Cisco Certified DevNet Associate	IoT and Cybersecurity
Cisco Certified DevNet Expert	IoT and Cybersecurity
Cisco Certified DevNet Professional	IoT and Cybersecurity
Cisco Certified DevNet Specialist	IoT and Cybersecurity
Cisco Certified Entry Networking Technician (CCENT)	IoT and Cybersecurity
Cisco Certified Internetwork Expert Collaboration (CCIE Collaboration)	IoT and Cybersecurity
Cisco Certified Internetwork Expert Data Center (CCIE Data Center)	IoT and Cybersecurity
Cisco Certified Internetwork Expert Enterprise Infrastructure (CCIE Enterprise Infrastructure)	IoT and Cybersecurity
Cisco Certified Internetwork Expert Enterprise Wireless (CCIE Enterprise Wireless)	IoT and Cybersecurity
Cisco Certified Internetwork Expert Routing & Switching (CCIE Routing & Switching)	IoT and Cybersecurity
Cisco Certified Internetwork Expert Security (CCIE Security)	IoT and Cybersecurity
Cisco Certified Internetwork Expert Service Provider (CCIE Service Provider)	IoT and Cybersecurity
Cisco Certified Internetwork Expert Wireless (CCIE Wireless)	IoT and Cybersecurity
Cisco Certified Network Professional Collaboration (CCNP Collaboration)	IoT and Cybersecurity
Cisco Certified Network Professional Enterprise (CCNP Enterprise)	IoT and Cybersecurity
Cisco Certified Professional Data Center (CCNP Data Center)	IoT and Cybersecurity
Cisco Certified Professional Security (CCNP Security)	IoT and Cybersecurity
Cisco Certified Professional Service Provider (CCNP Service Provider)	IoT and Cybersecurity
Cisco Certified Technician Data Center (CCT Data Center)	IoT and Cybersecurity
Cisco Certified Technician Routing & Switching (CCT Routing & Switching)	IoT and Cybersecurity
Cisco Cyber Vision	IoT and Cybersecurity
Cisco Implementing and Administering Cisco Solutions v1.0 (CCNA)	IoT and Cybersecurity
Cisco Implementing Cisco Enterprise Network Core Technologies (ENCOR)	Information Technology
Cisco Interconnecting Cisco Networking Devices, Part 2 (ICND2) v3.0	Information Technology
Cisco Network Associate (CCNA)	IoT and Cybersecurity
Cisco Network Programmability Design and Implementation Specialist	IoT and Cybersecurity

Cisco Network Programmability Developer Specialist	IoT and Cybersecurity
Cisco SD-WAN Operation and Deployment (ENSDW)	IoT and Cybersecurity
Cisco Unified Contact Center Enterprise Specialist	IoT and Cybersecurity
CISSO: Certified Information Systems Security Officer	IoT and Cybersecurity
Cloud Data and Application Integration	IoT and Cybersecurity
Cloud Data and Application Integration R34	IoT and Cybersecurity
Cloud Developing Nanodegree	IoT and Cybersecurity
Cloud Security	IoT and Cybersecurity
CompTIA A+	Information Technology
CompTIA A+ Core 2	Information Technology
CompTIA A+ Hardware	Information Technology
CompTIA A+ Software	Information Technology
CompTIA Advance Security Practitioner+ (CASP+)	IoT and Cybersecurity
CompTIA Cloud Essentials+	IoT and Cybersecurity
CompTIA Cloud+	IoT and Cybersecurity
CompTIA CTT+	Information Technology
CompTIA CySA+	IoT and Cybersecurity
CompTIA IT Fundamentals	Information Technology
CompTIA Linux Essentials	Information Technology
CompTIA Linux+	Information Technology
CompTIA Network+	Information Technology
CompTIA PenTest+	Information Technology
CompTIA Project+	IoT and Cybersecurity
CompTIA Security+	Information Technology
CompTIA Server+	IoT and Cybersecurity
Computer Hacking Forensic Investigator (CHFI)	IoT and Cybersecurity
Computer Networking Technology	Information Technology
Computer Science for Web Programming	IoT and Cybersecurity
Computer Skills for the Workplace	Business Technology
Continuous Delivery Using Azure DevOps Service	IoT and Cybersecurity
Creating Dashboards with Splunk (IOD)	Information Technology
CRM for Administrators	Information Technology
CSP: Certified Secure Programmer .NET	IoT and Cybersecurity
Customer Analytics for Growth Using Machine Learning, AI, and Big Data	Information Technology
Cyber Security	IoT and Cybersecurity
CyberSec First Responder - Threat Detection and Response	IoT and Cybersecurity
CyberSec First Responder (CFR)	IoT and Cybersecurity
Cybersecurity and Data Privacy	IoT and Cybersecurity
Cybersecurity Foundations	IoT and Cybersecurity
Data Analysis Fundamentals using Excel	Business Technology
Data Analysis Using Power BI Desktop - Level 1 - Report Builder	Information Technology
Data Analytics	Information Technology
Data Analytics - Applied Business Solutions	Information Technology
Data Analytics - Integrated Data Solutions	Information Technology
Data and Web Analytics	Information Technology
Data Engineering on Microsoft Azure	IoT and Cybersecurity
Data Integration for Developers	Information Technology
Data Model Design Using Power BI	Information Technology

Data Modeling	Information Technology
Data Quality: Data Quality Management for Developers	Business Technology
Data Science	Business Technology
Data Science Specialization	Business Technology
Data Scientist Nanodegree	Business Technology
Data Storytelling	Business Technology
Data Structures & Algorithms	Business Technology
Data Visualization Principles and Concepts	Business Technology
Designing and Deploying Microsoft Exchange Server 2016/2019	Information Technology
Designing and Implementing a Data Science Solution on Azure	IoT and Cybersecurity
Designing and Implementing Microsoft DevOps Solutions	Information Technology
Designing Microsoft Azure Infrastructure Solutions	Information Technology
Developing on AWS	Information Technology
Developing Solutions for Microsoft Azure	IoT and Cybersecurity
Developing SQL Databases	Information Technology
Developing Web Applications Using AngularJS	IoT and Cybersecurity
DevOps Continuous Testing Foundation (CTF)	Business Technology
DevOps Executive	Information Technology
DevOps Foundation	Information Technology
DevOps Implementation	Information Technology
DevOps Leader	Information Technology
Digital Design	IoT and Cybersecurity
Docker Containerization	Information Technology
EC-Council Certified Incident Handler	IoT and Cybersecurity
Excel 2019 - Formulas	Business Technology
Excel 2019 - VBA Programming	Business Technology
eXtensible Markup Language (XML)	Information Technology
F5 Networks Administering BIG-IP	Information Technology
Foundation for Analytic Solutions	Business Technology
Full Stack Web Developer Nanodegree	Information Technology
Fundamentals of Machine Learning	IoT and Cybersecurity
Fundamentals of SQL Querying	Information Technology
Gitlab Certified Associate	Business Technology
Google Analytics - Foundation	IoT and Cybersecurity
Google Analytics Advanced with Tag Manager	IoT and Cybersecurity
Google Analytics for Beginners	IoT and Cybersecurity
Google Analytics Individual Qualification (IQ)	IoT and Cybersecurity
Google Angular 6 Essentials	IoT and Cybersecurity
Google Certified Associate Android Developer	IoT and Cybersecurity
Google Certified Mobile Web Specialist	IoT and Cybersecurity
Google Cloud Certified Associate Cloud Engineer	IoT and Cybersecurity
Google Cloud Certified G Suite	IoT and Cybersecurity
Google Cloud Certified Professional Cloud Architect	IoT and Cybersecurity
Google Cloud Certified Professional Cloud Developer	IoT and Cybersecurity
Google Cloud Certified Professional Cloud Network Engineer	IoT and Cybersecurity

Google Cloud Certified Professional Cloud Security Engineer	IoT and Cybersecurity
Google Cloud Certified Professional Collaboration Engineer	IoT and Cybersecurity
Google Cloud Certified Professional Data Engineer	IoT and Cybersecurity
Google Cloud Certified Professional DevOps Engineer	IoT and Cybersecurity
Google Cloud Digital Leader	Business Technology
Google Cloud Fundamentals: Core Infrastructure	IoT and Cybersecurity
Google Cloud Platform Fundamentals for AWS Professionals	IoT and Cybersecurity
Google Data Analytics	Information Technology
Google IT Support Professional	IoT and Cybersecurity
Google Project Management	Business Technology
Google Sheets	Business Technology
Google Sheets Formulas and Functions	Business Technology
Hadoop Architecture and SQL	Information Technology
Help Desk Certificate	Information Technology
HTML 5 Level 1 for Windows	Information Technology
HTML 5 Level 2 for Windows	Information Technology
HTML5 Content Authoring Fundamentals	Information Technology
IBM Data Science Practitioner	Information Technology
Implementing an Agile Project	Business Technology
Implementing and Configuring Cisco Identity Services Engine	IoT and Cybersecurity
Implementing and Operating Cisco Security Core Technologies (SCOR)	IoT and Cybersecurity
Information Security for Business	IoT and Cybersecurity
Information Systems Security	IoT and Cybersecurity
Intermediate Angular 10 Programming	IoT and Cybersecurity
Intermediate Microsoft Excel 2019/Office 365	Business Technology
Intermediate R	Information Technology
Introduction to Adobe After Effects CC	Business Technology
Introduction to Agile and Scrum Methodologies	Business Technology
Introduction to Angular 12	Business Technology
Introduction to Data Management	Business Technology
Introduction to DAX for Excel 2016 Users - Level 3	Information Technology
Introduction to DAX for Power BI Desktop Users - Level 3	Information Technology
Introduction to Jira	Information Technology
Introduction to Microsoft Azure for IT Professionals	IoT and Cybersecurity
Introduction to Microsoft Excel 2019/Office 365	Business Technology
Introduction to Microsoft Power BI	Information Technology
Introduction to MS Access 2019/Office 365 Series	Business Technology
Introduction to PC Security	IoT and Cybersecurity
Introduction to Programming Nanodegree	Information Technology
Introduction to R	Information Technology
Introduction to SQL Databases	Information Technology
IoT - Applied IoT Solutions	IoT and Cybersecurity
IoT - Integrated IoT Solutions	IoT and Cybersecurity
IoT Fundamentals	IoT and Cybersecurity
IT Management and Leadership Professional (ITMLP-C)	Information Technology

ITIL 4 Foundation	Information Technology
ITIL 4 Specialist: High Velocity IT (HVIT)	Information Technology
ITIL Foundations	Information Technology
Java Foundations Certified Junior Associate	Information Technology
Java Programming (Any certification)	Information Technology
JavaScript and jQuery	Information Technology
JavaScript and jQuery Programming	Information Technology
jQuery Programming	Information Technology
Kubernetes	Information Technology
Kubernetes for Developers	IoT and Cybersecurity
Learning Git and GitHub	Information Technology
Linux Security and Network Essentials	Information Technology
LPIC-1 : Linux Administrator	Information Technology
LPIC-2 : Linux Engineer	Information Technology
Machine Learning with R	IoT and Cybersecurity
Manage SharePoint and OneDrive in Microsoft 365	Business Technology
Managing Microsoft Teams	IoT and Cybersecurity
Managing Modern Desktops	Information Technology
Managing Projects Using Azure Board	IoT and Cybersecurity
Managing Projects with Microsoft 365	Business Technology
Marketing Analyst Nanodegree	Business Technology
Mastering React/React Foundation	Information Technology
Microservices Engineering	Information Technology
Microservices, ASP.NET Core, and Docker	Information Technology
Microsoft 365 Certified: Enterprise Administrator Expert	Information Technology
Microsoft 365 Certified: Modern Desktop Administrator (MDA)	Information Technology
Microsoft 365 Certified: Modern Desktop Administrator Associate	Information Technology
Microsoft 365 Certified: Modern Desktop Administrator Associate (MDAA)	Information Technology
Microsoft 365 Certified: Modern Desktop Administrator Expert (MDAE)	Information Technology
Microsoft 365 Certified: Security Administrator Associate	Information Technology
Microsoft 365 Fundamentals	Business Technology
Microsoft 365 Identity and Services	Business Technology
Microsoft 365 Messaging	Information Technology
Microsoft 365 Mobility and Security	IoT and Cybersecurity
Microsoft 365 Security Administration	IoT and Cybersecurity
Microsoft 365 Teams Administrator	Business Technology
Microsoft Access 2016 - Core Database, Management, Manipulation, and Query	Business Technology
Microsoft Access 2016 - Part 1	Business Technology
Microsoft Access 2016 - Part 2	Business Technology
Microsoft Access 2019 - Level 3	Business Technology
Microsoft Access 2019 - Part 1	Business Technology
Microsoft Access 2019 - Part 2	Business Technology
Microsoft Access Expert (Access and Access 2019)	Business Technology

Microsoft Administering Windows Server Hybrid Core Infrastructure	Information Technology
Microsoft Advanced Excel, SharePoint & SQL Query Training	Business Technology
Microsoft Azure and Microsoft Power BI	IoT and Cybersecurity
Microsoft Azure Data Fundamentals	IoT and Cybersecurity
Microsoft Azure DevOps	IoT and Cybersecurity
Microsoft Azure DevOps Solutions	IoT and Cybersecurity
Microsoft Azure for Beginners	IoT and Cybersecurity
Microsoft Azure IoT Developer	IoT and Cybersecurity
Microsoft Azure Security Technologies	IoT and Cybersecurity
Microsoft Certified Application Specialist	Information Technology
Microsoft Certified: Azure AI Fundamentals	Information Technology
Microsoft Certified: Azure Data Engineer Associate	IoT and Cybersecurity
Microsoft Certified: Azure Data Fundamentals	IoT and Cybersecurity
Microsoft Certified: Azure Data Scientist Associate	IoT and Cybersecurity
Microsoft Certified: Azure Database Administrator Associate	Information Technology
Microsoft Certified: Azure Developer Associate	IoT and Cybersecurity
Microsoft Certified: Azure Fundamentals	IoT and Cybersecurity
Microsoft Certified: Azure Security Engineer Associate	IoT and Cybersecurity
Microsoft Certified: Azure Solutions Architect Expert	IoT and Cybersecurity
Microsoft Certified: Azure Virtual Desktop Specialty	IoT and Cybersecurity
Microsoft Certified: Dynamics 365 Business Central Functional Consultant Associate	Information Technology
Microsoft Certified: Dynamics 365 Fundamentals (CRM)	Information Technology
Microsoft Certified: Dynamics 365 Fundamentals (ERP)	Information Technology
Microsoft Certified: Power BI Data Analyst Associate	Business Technology
Microsoft Certified: Power Platform App Maker Associate	Information Technology
Microsoft Certified: Power Platform Developer Associate	Information Technology
Microsoft Certified: Power Platform Fundamentals	Information Technology
Microsoft Certified: Power Platform Solution Architect Expert	Information Technology
Microsoft Certified: Security, Compliance, and Identity Fundamentals	IoT and Cybersecurity
Microsoft Cybersecurity Architect	IoT and Cybersecurity
Microsoft Designing and Implementing a Data Science Solution on Azure	Information Technology
Microsoft Dynamics 365	IoT and Cybersecurity
Microsoft Dynamics 365 for Customer Engagement for Sales	Information Technology
Microsoft Dynamics 365 Marketing Functional Consultant	Information Technology
Microsoft Dynamics 365 Sales	Business Technology
Microsoft Excel - Dashboards	Business Technology
Microsoft Excel - Pivot Tables	Business Technology
Microsoft Excel (All versions)	Business Technology

Microsoft Excel 2016/2019 - Data Analysis with Pivot Tables	Business Technology
Microsoft Excel 2019 - Data Analysis with Power Pivot	Business Technology
Microsoft Excel 2019 Charts	Business Technology
Microsoft Excel 2019 Data Analysis	Business Technology
Microsoft Identity and Access Administrator	Information Technology
Microsoft Information Protection Administrator	IoT and Cybersecurity
Microsoft Office 2016 Value Suite	Business Technology
Microsoft Office 365 Administrator	Business Technology
Microsoft Office 365 Online Productivity Apps	Business Technology
Microsoft Office Master 2019/365	Business Technology
Microsoft Office Specialist 2016 Master	Business Technology
Microsoft Office Specialist: Associate (Office 365 and Office 2019)	Business Technology
Microsoft Office Specialist: Excel Associate (Excel and Excel 2019)	Business Technology
Microsoft Office Specialist: Microsoft Excel 2016	Business Technology
Microsoft Office Specialist: Microsoft Excel Expert (Excel and Excel 2019)	Business Technology
Microsoft Power Automate/Flow for End Users	Information Technology
Microsoft Power BI - Data Analysis Practitioner	Information Technology
Microsoft Power BI Interactive Data Visualizations	Information Technology
Microsoft Power BI Intermediate	Information Technology
Microsoft Power BI: Power BI Series	Information Technology
Microsoft Power Platform Functional Consultant	Information Technology
Microsoft Power Platform Fundamentals	Information Technology
Microsoft PowerApps	Information Technology
Microsoft Publisher	Business Technology
Microsoft Security Operations Analyst	IoT and Cybersecurity
Microsoft Security, Compliance, and Identity	IoT and Cybersecurity
Microsoft Server 2022	IoT and Cybersecurity
Microsoft SharePoint (All versions)	Business Technology
Microsoft Specialist: Programming in C#	Information Technology
Microsoft Teams for Power Users	Business Technology
Microsoft Virtual Basic for Excel	Business Technology
Microsoft Windows 10	Information Technology
Microsoft.Net Fundamentals	Information Technology
Migrate SQL Workloads to Azure	IoT and Cybersecurity
Migrating Application Workloads to Azure	IoT and Cybersecurity
Mobile Application Development	IoT and Cybersecurity
Mobile Device Application Development	IoT and Cybersecurity
MS Power Platform Fundamentals: Power BI, Power Apps, Power Automate & Virtual Agents	Information Technology
Network Administration	Information Technology
Network Administrator	Information Technology
Network and Systems Security	Information Technology
Network Infrastructure Technologies	Information Technology
Network Security Essentials	Information Technology
Network Security Foundations	Information Technology
NIST Cyber Security Professional (NCSP)	IoT and Cybersecurity
NIST Cybersecurity Framework (NCSF)	IoT and Cybersecurity

NIST Cybersecurity Framework (NCSF) Practitioner	Information Technology
PBICAL: Introduction to DAX for Power BI Desktop Users-Level 3	Information Technology
PC Support	Information Technology
Performance Tuning and Optimizing SQL Databases	Information Technology
Photoshop	Business Technology
Photoshop Creative Cloud (CC) Level 2 for Windows	Business Technology
Photoshop Training - Web Graphics	Business Technology
PHP and MySQL Web Development	Information Technology
PMI Agile Certified Practitioner (PMI-ACP)	Information Technology
Power BI - Dashboard in a Day	Information Technology
Power Platform App Maker	Information Technology
PowerShell for SharePoint Administrators	Business Technology
PowerShell for SQL Server Administrators	Information Technology
Print & Digital Media Publication Using Adobe InDesign CC	Business Technology
Professional Scrum Developer (PSD)	Business Technology
Professional Scrum Product Owner - Advanced	Business Technology
Professional Scrum Product Owner I	Business Technology
Professional Scrum with Kanban Training	Business Technology
Professional Scrum with UX	Business Technology
Programming and Data Wrangling with VBA and Excel	Information Technology
Programming Basics	Information Technology
Programming for Data Science with Python	Information Technology
Python (All levels)	IoT and Cybersecurity
Python Certified Associate in Programming (PCAP)	Information Technology
Python Certified Entry-Level Programmer (PCEP)	Information Technology
Python Certified Professional in Programming 1	Information Technology
Python Certified Professional in Programming 2	Information Technology
Python for Data Science (All levels)	Information Technology
Python Programming Level 1: Introduction for Programmers	Information Technology
R, SQL, Tableau	Information Technology
RabbitMQ with Java and Spring	Information Technology
React Developer Nanodegree	Information Technology
React Foundations and React Advanced	Information Technology
React JavaScript Programming	Information Technology
React using TypeScript	Information Technology
Red Hat Security	IoT and Cybersecurity
RESTful Services with Web API using C#	Information Technology
SAFe 5 Program Consultant (SPC)	Business Technology
SAFe Product Owner/Product Manager (POPM)	Business Technology
SAFe Release Train Engineer	Business Technology
SAFe Scrum Master (SSM)	Business Technology
SAFe: Leading SAFe/SAFe Agilist	Business Technology
Scaled Professional Scrum (SPS)	Business Technology
Scrum@Scale Certified Practitioner	Business Technology
Security Engineering on AWS	IoT and Cybersecurity
Security Foundations	IoT and Cybersecurity
SharePoint Server Online Power User	Business Technology
Social Media Marketing	Business Technology

Software Application Specialist	Information Technology
Software Development Fundamentals	Information Technology
Spring 5 Framework	Information Technology
SQL (All versions)	Information Technology
SQL for Business Analysts	Information Technology
SQL Queries (All levels)	Information Technology
Storytelling with Data Using Excel	Business Technology
Storytelling with Data Using Tableau	Business Technology
Supporting and Troubleshooting Windows 10	Information Technology
Systems Operations on AWS	IoT and Cybersecurity
Tableau (All levels)	Business Technology
Tableau Analyst	Business Technology
Tableau Desktop Certified Associate	Business Technology
Tableau Desktop III: Advanced	Business Technology
Tableau Desktop Specialist	Business Technology
Tableau for Data Consumers	Business Technology
Tableau Intermediate for Analyst	Business Technology
Tableau Server Administration	Business Technology
Test Driven Development (TDD) and Refactoring Legacy Code Using C#	Information Technology
Unit Testing in Visual Studio 2019	Information Technology
Useful Formulas & Functions (Microsoft Excel 2007 & 2010)	Business Technology
Virtualizing Enterprise Desktops and Apps	Business Technology
VMWare Certified Associate - Digital Business Transformation (VCA-DBT)	IoT and Cybersecurity
VMware Certified Professional - Data Center Virtualization	IoT and Cybersecurity
Vmware Horizon 8: Skills for Virtual Desktop Management	IoT and Cybersecurity
VMware vSphere: Install, Configure, Manage (All versions)	Information Technology
VMware vSphere: Optimize and Scale (All versions)	Information Technology
Web Applications Developer	Information Technology
Web Design and Development	IoT and Cybersecurity
Web Design and SEO	IoT and Cybersecurity
Web Design Fundamentals	IoT and Cybersecurity
Web Development	Information Technology
Windows Forms Programming Using Visual Basic.NET	Business Technology
Windows PowerShell Scripting and Toolmaking	Business Technology
Windows Server 2019 Administration	Information Technology
Windows Server 2019 Hybrid and Azure IaaS	IoT and Cybersecurity
Word Press (all versions)	Business Technology
Writing Analytical Queries for Business Intelligence	Information Technology
Writing Reports with Report Builder and SSRS - Level 1	Information Technology
Writing Reports with Report Builder and SSRS - Level 2	Information Technology
XML and Web Service	IoT and Cybersecurity
