

LIFE CHANGING TECHNOLOGY TRAINING

A woman with long brown hair, wearing a white button-down shirt, stands and points her right hand towards a large digital display. The display shows various data visualizations, including a bar chart with orange bars, a line graph with a red line, and a 3D bar chart. The text 'Administration' is visible at the top of the screen. In the foreground, a man with a beard, wearing a teal and brown plaid shirt, stands holding a black clipboard and a blue pen. He is looking towards the woman. To his left, another man with a balding head, wearing a blue and white striped shirt, is seated at a dark wooden table, facing away from the camera. On the table, there is a laptop displaying charts, a small potted plant, a glass of water, and a white mug. The background is a brick wall with a modern lamp hanging from the ceiling.

MAX

AGILE ITBA BUSINESS ANALYST

AGILE ITBA BUSINESS ANALYST BOOTCAMP

YOUR NEXT CAREER STARTS HERE

Our Agile IT Business Analyst bootcamp provides hands-on training to help you develop your skillset to become a change maker.
